Drinks

Welcome Drinks? Tabs? Open Bar? Guests pay for their own drinks?

You can arrange a tab with a limit, or an open bar tab. Why not order wine to be ready on the tables or is there a favourite drink - we can do a welcome drink reception on arrival. Or if you would prefer your guests to be able to arrange their own drinks they are more than welcome to pay over the bar on the day.

Important info

Monday/Tuesday – the world's your oyster, as we close and only offer exclusive hire of the pub - so you would have private hire of the whole pub *there will be a minimum spend but we can discuss this, we are flexible. We can talk about BBQ, canapé parties, sit-down dinner parties including set menus or anything tailored outside of what we do.

Wednesday - Saturday - We can offer sit down dinners off our main menu for up to 20 people, but pre orders would be required. Anything bigger than 20 people we would need to discuss set menus or go down the buffet option route.

Sunday - We can do sit down dinners off our Sunday menu for up to 12 people but pre orders would be required. Anything bigger than 12 people we would not be able to host we are afraid – Sunday's are busy days for us.

Deposit

We do require a deposit at time of booking, we can discuss this when going through the initial planning stage of your event.

We look forward to hearing from you – no query, enquiry or question is silly.

Love from

Millie, Jack and The Swan Inn team

P.S for parties of 8 or less we do have our private dining room
(our 8 seater round table hidden towards the back of the pub)
